**Announcement of Faculty of Music, Silpakorn University
Safety and Precautionary Measures in regards to the COVID-19 on the day of examination**

According to Silpakorn University's announcement of Safety and Precautionary Measures with regards to the COVID-19 on the day of examination. Students, lecturers and assigned offices have to strictly follow the advises as follows:

1. Students, lecturers and assigned officers who are attending the examination should wash their hands with water and soap to reduce the risk of infection and spreading the diseases. In case there is no water and soap, clean hands with alcohol-based hand sanitizer gel that contains at least 70 % alcohol.
2. Students, lecturers and assigned officers are advised to put on a face mask before you enter the facility.
3. Students are to be on standby at the health screening station at least 30 minutes before the commencement of the exam.
4. Everyone is to have their body temperature checked with a handy thermometer scanner before entering the building. In the case that your body temperature is higher than 37.5 degrees Celsius, you will be required to proceed to the isolation area to have your temperature checked again. If the fever persists, you will not be allowed to enter the premise to reduce the risk and prevent the spread of the disease. Officer will have to complete the form of request to refrain the student from taking the exam.
5. Additional criteria for refraining from exam shall be made in consideration of the chair/ academic programs committee as appropriate.
6. For more information and guidelines, please see announcement page of Silpakorn University under 'Safety and Precautionary Measures' in regards to the COVID-19 for students examination.

We look forward to your cooperation.

Announced as of March 13, 2020

(Asst. Prof. Wootichai Lertsatakit)
Dean
Faculty of Music, Silpakorn Univeristy
